

February Update: Court Modernization Trends, Cost Savings & Client Innovation

Feb 26, 2026

Rising Caseloads Are Driving Court Digital Transformation

Municipal courts across the U.S. are facing rising caseloads, limited staffing, and increasing operational pressure. Traditional manual processes can no longer support the speed, scale, and transparency required today. Modern case management systems, automation, and digital services are helping courts improve efficiency, reduce administrative burden, and enhance public access to justice. This shift is redefining how courts operate now and in the future.

What Pennsylvania's \$37M Savings Means for Your Agency

Pennsylvania saved \$37M by modernizing IT strategically—not by cutting services, but by making smarter technology decisions. Their approach shows how agencies can reduce costs while improving efficiency. Modernization, when done right, delivers both operational and financial value.

We are proud to highlight our work with Move to Happy. We developed enhanced filter functionality to help home shoppers discover and evaluate communities faster and more accurately based on lifestyle and demographic preferences. The improvements have strengthened the platform's user experience, and we're happy to share that the Move to Happy team is very pleased with the results.

See How We're Improving Digital Platforms

A hiring poster for Azularc in Atlanta. The poster features the Azularc logo at the top left. The main headline reads "We Are Hiring in Atlanta!". Below this, a blue arrow points to the text "Open Position:". The job title "Full Stack Developer (PERN/MERN)" is displayed next to a blue circle icon. A white button with a blue border says "Send Your Resume" and includes the email address "careers@azularc.com". Below that is a blue button with the text "More Information" and a right-pointing arrow. At the bottom left, a globe icon is next to the text "More Information" and the website "www.azularc.com". On the right side, there are two circular inset photos: the top one shows a group of four people smiling at a table, and the bottom one shows three people (two women and one man) sitting at a table with food and drinks.
